RHB ASSET MANAGEMENT WINS REFINITIV LIPPER FUND AWARD FOR THEMATIC GROWTH FUND

Kuala Lumpur – RHB Asset Management (“RHBAM”) was recognised at the Refinitiv Lipper Fund Awards 2021 for the strong performance of its RHB Thematic Growth Fund.

The RHB Thematic Growth Fund aims to provide investors with medium to long-term capital appreciation through investments capitalising from the evolving domestic and global trends. Since its launch last year, the Fund yielded a return of 49.44% with a fund size of RM69.91 million for the year ended 2020.

“We are grateful for the recognition given the volatile market condition. The RHB Thematic Growth Fund had performed well and returned good value to our customers by focusing on stocks with earnings growth whilst integrating sustainability considerations in the investment process,” said Eliza Ong, Chief Executive Officer of RHB Asset Management.

RHB Asset Management has put in place an ESG Investment framework, which incorporates Environment, Social and Governance considerations into its investment process. The RHB Thematic Growth Fund had gone through the Sustainability Investment Process, which allows for better-informed investment decisions and further promotes sustainable investment practices.
